HANDLE ANYTHING WITH XGS

XGS APPLICATION GUIDE – **CROSS REFERENCE**
VER. 23.01

XGS SUSPENSION BY TJM

The most innovative suspension range we've ever produced, is here.

In this extensive guide, you'll find important details and helpful breakdowns on the robust, complex and sophisticated innovations of each XGS suspension product. It has been prepared with your understanding in frame of mind in a simple and straightforward design.

On top of XGS componentry specifications and thoroughly detailed suspension information, for over 75 vehicle-specific makes and models, this guide will also be available online where it will be continually updated to ensure you're well informed of any updates or changes.

So, dig in and learn as much as there is to know about XGS, and be ready to give your customers the suspension upgrade needed to 'Handle Anything'.
