TJM COOKIE POLICY

By using or accessing our website (“Website”), you are consenting to TJM’s use of Cookies as set out in this Cookie Policy.

This policy helps to explain the occasions when and why cookies may be sent to visitors to the Website (referred to in this policy as “we”, “us” or “our”). “Cookies” are text-only pieces of information that a website transfers to an individual’s hard drive or other website-browsing equipment for record-keeping purposes. Cookies allow the Website to remember important information that will make your use of the site more convenient. A cookie will typically contain the name of the domain from which the cookie has come, the “lifetime” of the cookie, and a randomly generated unique number or other value. Certain cookies will be used on the Site regardless of whether you are logged in to your account or not. Like most websites, we use cookies for a variety of purposes in order to improve your online experience, for analytics and for marketing, but specifically we use Cookies on the Website for the following purposes:

- › **Analytical Purposes:** We use Cookies to analyse user activity in order to improve the Website. For example, using Cookies we can look at aggregate patterns like the average number of searches that users perform. We can use such analysis to gain insights about how to improve the functionality and user experience of the Website.
- › **Your Preferences:** We use Cookies to store certain user preferences on our Website. For example, we may store the recent searches you have performed in a Cookie so that we can allow you to easily repeat those searches when you return to our Website.
- › **Marketing:** We use Cookies from third-party partners such as Google and Facebook for marketing purposes. These Cookies allow us to display TJM’s promotional material to you on other sites you visit across the Internet. TJM may also share information about your behaviour on the Website with third parties (including operators of third-party websites and/or social networking sites) in order to show you targeted advertisements and other content that has been customized for you.

TJM COOKIE POLICY

- › Referral Tracking: We use Cookies to associate user activity with the third party website that referred the user to our Website, or to associate user activity that TJM referred to a third party website. These third party partner websites receive credit for the activity of users they refer to our Website, or give TJM credit for the activity of users referred to such third party websites. We do not share any personal information or information about individual user activities with these partner entities.

Session Cookies are temporary cookies that remain in the cookie file of your browser until you leave the Website.

Persistent Cookies remain in the cookie file of your browser for much longer (though how long will depend on the lifetime of the specific cookie). When we use session cookies to track the total number of visitors to our Website, this is done on an anonymous aggregate basis (as cookies do not in themselves carry any personal data). We may also employ cookies so that we remember your computer when it is used to return to the Website to help customize your TJM web experience. We may associate personal information with a cookie file in those instances. Use the options in your web browser if you do not wish to receive a cookie or if you wish to set your browser to notify you when you receive a cookie. You can easily delete any cookies that have been installed in the cookie folder of your browser. See below instructions on how to enable and disable cookies for various browsers:

Please check the browser's cookie settings support pages to confirm the most up-to-date instructions.

If you disable all cookies, you may not be able to take advantage of all the features of this website. Consult your mobile device documentation for information on how to disable cookies.

We use the AdWords and Remarketing Lists features of Google Analytics for Display Advertisers. We and Google use first-party cookies (such as the Google Analytics cookie)

TJM COOKIE POLICY

and third-party cookies (such as the DoubleClick cookie) together to inform, optimize, and serve ads based on your past visits to our Website. This means that vendors including Google will display our promotional material on other sites you visit across the Internet.

You may opt-out of Google Analytics for Display Advertisers including AdWords and opt-out of customized Google Display Network ads by visiting the Google Ads Preferences Manager. To provide website visitors more choice on how their data is collected by Google Analytics, Google has developed an Opt-out Browser add-on, which is available by visiting Google Analytics Opt-out Browser Add-on, to enable you to opt-out of Google's programs.

Our marketing service providers.

If you do not want us and our marketing services providers to follow your usage of our services via the third party marketing services providers' cookies and Web beacons, and to learn more about these providers and their privacy policies, please visit their web site. Opting out of these services does not mean you will no longer receive online advertising. It does mean that the service from which you opted out will no longer deliver ads tailored to your Web preferences and usage patterns. In all cases where third party cookies are used to track your behaviour on our website, you must refer to such third party's website to learn how to remove cookies for that third party specifically. Removing our cookies from your browser will not affect cookies placed by third parties.

Changes to Our Cookie Policy

From time to time, it may be necessary for us to change this cookie policy. We suggest that you check here periodically for any changes.

Advertisements may display on this web site and, if so, may set and access cookies on your computer; such cookies are subject to the privacy policy of the parties providing the advertisement. However, the parties providing the advertising do not have access to this site's

cookies. These parties usually use non-personally identifiable or anonymous codes to obtain information about your visits to this site.

TJM COOKIE POLICY

- › the overseas recipient may handle your personal information other than in accordance with the Privacy Act or APPs, in which case you will not be able to seek redress for such acts or practices under the Privacy Act; and

As part of the services offered to you, for example through our site, the information you provide to us may be transferred to and stored in countries outside of the European Economic Area (“EEA”) as we use remote website server hosts to provide the website and some aspects of our service, which may be based outside of the EEA, or use servers based outside of the EEA - this is generally the nature of data stored in “the Cloud”. It may also be processed by staff operating outside the EEA who work for one of our suppliers, e.g. our website server host, or work for us when temporarily outside of the EEA.

A transfer of your personal data may happen if any of our servers are in a country outside of the EEA or one of our service providers is in a country outside of the EEA. If we transfer or store your personal data outside the EEA in this way, we will take steps with the aim of ensuring that your privacy rights continue to be protected, as outlined in this privacy policy and in accordance with the GDPR. If you use our services while you are outside the EEA, your personal data may be transferred outside the EEA in order to provide you with these services.
